*Our excellent facilities include:*

- Over 3 acres of beautiful and private grounds
- Ample parking and disabled facilities
- 10 minutes walk from Bosham Station

**THE HALL: (40' x 26')**

This is a light, triple aspect space with a double door foyer and entrance, as well as double doors out onto a patio area + grounds, beyond.

There is direct access to a fully fitted kitchen, 3 WCs and the therapy room. Equipment includes a ceiling mounted, projector, pull down screen and mobile control centre. There is direct access to 42 chairs and 6 large folding tables with more of both in store. Ambient lighting, carpeting and cushions offer additional comfort. This room is ideal for functions, workshops and classes.

**THE LIBRARY: (10'8" x 13'8")**

Is a cosy, yet light room with dual aspect and double doors out to the rose garden. It seats approximately 10 people informally or 15 formally. There is a built-in projection screen, overhead projector and curtains/blinds for additional privacy/light reduction. The books include many of Henry Thomas

Hamblin's writings + other spiritual books which have been collected over the years. This space is very popular with smaller groups and therapists who enjoy being in the office area of the building.

**THE THERAPY ROOM: (15'4" x 6')**

looks out over the grounds with blinds for privacy. The space easily accommodates a treatment couch – you are welcome to use the one in situ. There is a basin and shelving to assist with treatments.

**THE MEDITATION SANCTUARY:**

This is a wooden building which is independently located within the grounds. It is equipped with heating and lighting. This space will comfortably seat about 10 people and is popular with therapists meeting their clients, as well as meditation groups.

**THE COUNSELLING ROOM: (10' x 6')**

This cosy room is carpeted and has a blind for privacy. The furnishings include 2 Poang chairs and a small table with a lamp.

**THE KITCHEN: (11'4" x 7'6")**

is fully fitted and includes: a double electric cooker, fridge/freezer, dishwasher, kettle and large water boiler. There is enough cutlery and crockery for about 40 people. These facilities are ideal for both shared meals and catering companies which we are happy to recommend.
